Why Spark Institute?

Your Personalised Coach

One to One Mentorship

Learning is an important step for achieving dreams in a student's journey. We encourage the student to explore the concept in depth instead of memorising. The Mentorship Sessions make sure that the student is left with no doubt.

Daily Practice Sessions

We believe in the philosophy that "practice makes a man perfect" and so does our curriculum follow the same ideology. Our tech enabled platform is tailored for providing the best analysis to the students.

Personalised Study Material

We provide study material that is fit for every student. Providing same material to every student doesn't provide good results and our's study material is really optimised for the students at different level of preparation.

Weekly Sessions

Interacting with students is must for the grooming and we interact with them on a weekly basis so that they can be motivated throughout the journey.

One on One mentorship

To achieve their goals, students must prioritize learning. Instead of relying solely on memorization, Spark Institution emphasizes a thorough understanding of concepts. The Mentorship Sessions are structured to ensure students develop a deep understanding, eliminating any uncertainties. These sessions offer personalized support and clarification, assisting students in grasping complex concepts and excelling in their academic endeavors.

Weekly Sessions

Interacting with students is vital for their growth, and Spark Institution stresses the importance of weekly engagement with them. This consistent interaction is crucial for maintaining students' motivation and inspiration throughout their academic journey. By maintaining this continuous connection, Spark Institution can offer support, encouragement, and guidance, helping students stay focused and enthusiastic about their studies.

Personalised Study Material

Spark Institution provides personalized study materials that are customized to meet the specific needs of each student. Acknowledging that a uniform approach is insufficient, Spark Institution ensures that the study materials are adapted to suit students at different levels of readiness. This individualized approach helps students understand and master the concepts more effectively, leading to enhanced learning outcomes. The primary objective is to equip every student with the resources they need to succeed, regardless of their initial level or proficiency.

Daily Practice Sessions

Spark Institution follows the principle of "practice makes perfect," which is evident in our curriculum. Our technology-driven platform is designed to provide students with the most insightful analysis possible. This approach enables students to practice extensively, refining their skills and deepening their understanding of the subject. By emphasizing practice, Spark Institution aims to help students achieve mastery and excel in their academic pursuits. Spark Institute provides **daily doses** and **daily quizzes**, so that you are able to practice and better assess your performance, enhancing your chances to qualify this exam with flying colors.

Best RRB OA Coaching in Jammu - Introduction to RRB OA examination

The Institute of Banking Personnel Selection (IBPS) conducts online exams as part of the Common Recruitment Process to select candidates for the position of Office Assistant (Multipurpose). This recruitment exam is conducted annually by the IBPS. The RRB OA exam consists of two stages, or Tiers: the preliminary examination (prelims) and the main examination (mains). Candidates must successfully pass both stages of the RRB OA exam to be considered for selection. The prelims typically serve as a screening test, while the mains delve deeper into the subjects and skills required for the role. Additionally, it's important to note that you will have a choice to make between English Language and Hindi Language.

Preliminary Exam

Office Assistant (Multipurpose)

Sr. No.	Name of Tests	Medium of Exam	No. of Qs	Maximum Marks	Duration
1	Reasoning	*	40	40	Composite time of 45 minutes
2	Numerical Ability	*	40	40	
Total			80	80
