Why Spark Institute?

Your Personalised Coach

One to One Mentorship

Learning is an important step for achieving dreams in a student's journey. We encourage the student to explore the concept in depth instead of memorising. The Mentorship Sessions make sure that the student is left with no doubt.

Daily Practice Sessions

We believe in the philosophy that "practice makes a man perfect" and so does our curriculum follow the same ideology. Our tech enabled platform is tailored for providing the best analysis to the students.

Personalised Study Material

We provide study material that is fit for every student. Providing same material to every student doesn't provide good results and our's study material is really optimised for the students at different level of preparation.

Weekly Sessions

Interacting with students is must for the grooming and we interact with them on a weekly basis so that they can be motivated throughout the journey.
